**Subject:- About Feedback from the students.**

The meeting of IQAC committee was held in the college on date 02/4/17 at 12.30 in the principal's cabin. In this meeting the feedback received from the students were taken for the discussion. After discussion committee found that students have written many good and praiseworthy things about you but there is some scope for the improvement in your teaching skills.

We do appreciate the good things said by students about you. We do feel very good about it but we recommend that you should make consistent efforts to improve the professional skill for the benefit of student community. As stated by students you give your attention to following things.

1. You should not target a particular student-  
during teaching
2. Keep the atmosphere healthy and lively in the  
class room.

### Subject:- About Feedback from the students.

The meeting of IQAC committee was held in the college on date 29.04.19 at 1:20 PM the principal's cabin. In this meeting the feedback received from the students were taken for the discussion. After discussion committee found that students have written many good and praiseworthy things about you but there is some scope for the improvement in some areas.

We do appreciate the good things said by students about you. We do feel very good about it but we recommend that you should make consistent efforts to improve the professional skill for the benefit of student community. As stated by students you give your attention to following things.

- Teaching is good.
- No more suggestions.
